Your Astro-Forecast begins on the next page. If the time period for an interpretation is, for example, given as "July 1, 1993 (June 15, 1993 to July 15, 1993)", then it starts in mid-June, reaches greatest intensity around July 1, and ends in mid-July. The first date listed is the time when the influence has reached maximum strength; we can call this date the "peak date". The influence starts on the beginning date, gradually increases in strength until the peak date is reached, and then it gradually fades out until the ending date is reached.

An influence may last for as little as a week to as long as half a year or so. It is a good idea to look ahead in your Astro-Forecast Report for long-lasting influences, as you otherwise may not realize that it is in effect until you are already several months into the time period of the influence. Some people underline the dates of long-lasting influences with a colored pen to draw attention to them.

You may also notice that the same interpretation shows up periodically during the year; this is not unusual. In some cases the beginning and ending dates of the 2 influences are the same; the only difference between the 2 interpretations is the peak date. This means that this particular influence has two peak dates instead of one. It is even possible for there to be three or more peak dates for the same astrological influence. To eliminate redundant interpretations, you may be informed that the astrological influence also occurred earlier and that you should refer back to the previous occurrence of this interpretation.

You may be wondering what the funny abbreviations after the dates are. For example, you may see "Sat Conj Plu", "Ura Trine Nep", etc. These abbreviations are given for the benefit of astrologers and they show the astrological factor that is in effect.

We hope you enjoy your Astro-Forecast. For the benefit of astrologers, some technical details are given below.

Sun 11th H.

Involvement in clubs, social organizations, or any other group to which you belong is likely to be a focus at this time. You may be asked to take responsibility or even a leadership role, or to contribute and participate more fully than you have in the past. You will enjoy being part of a team or group effort now. Being part of a community or circle of friends, and building your social network, is important to you at this time.

May 17, 2012 (May 17, 2012 to June 3, 2012)

Merc 11th H.

If you belong to any club or organization, you are likely to be involved in group discussions, planning sessions, or committees at this time. Even if you don't participate in any such group, a sense of community is important to you now, and you'll be thinking about how you can take part and contribute. You will want to socialize and talk with people you share common interests and ideals with.

May 18, 2012 (May 15, 2012 to July 22, 2012)

Mars 3rd H.

At this time, you communicate more directly and forcefully, and you are prone to be rather abrasive. Impatient with others' ambiguity, vagueness, or noncommittal stance, you may provoke arguments in an effort to get a clear answer or decision from someone. It is better to "attack" some intellectual problem or task, rather than your neighbors and friends.

May 27, 2012 (May 27, 2012 to July 27, 2012)

Ven 11th H.

Meeting with people who share common ideals or purposes, either on a professional or personal level, will be very successful now. You have a friendly, cooperative attitude that will help such gatherings flow smoothly.

You need and want to socialize now. Parties or other gala events are favored. Getting together with a group of friends to play music or sing would be very satisfying.

June 2, 2012 11 AM (June 1, 2012 to June 3, 2012)

Merc Conj Sat

You have a very realistic and no-nonsense attitude at this time, and are rather critical, skeptical, or at the very least, cautious about new ideas. Deep, quiet study and solitary reflection is favored. You are more taciturn and uncommunicative than usual and don't feel very social. If you are with others, you are likely to turn the discussions into something heavy and serious. Frivolity holds no appeal for you now.

June 2, 2012 3 PM (June 2, 2012 to June 3, 2012)

Merc Sxtil Merc

A nonstop flow of communication between yourself and the people in your immediate environment is likely today. You may engage in interesting and informative discussions or fritter your time away in inconsequential chatter and gossip. Mental curiosity or restlessness may also impel you to make a short trip or visit.

June 3, 2012 (June 2, 2012 to June 20, 2012)

Merc 12th H.

This is a good time for quiet study and inward reflection. Your intuition and sensitivity to the hidden, behind the scenes aspects of a situation are operating strongly now. However, you are less inclined to speak your mind or take a definite stand on important matters. A wait-and-see attitude is likely to characterize this time period.

June 5, 2012 9 AM (June 3, 2012 to June 6, 2012)

Ven Trine Ura

Unexpected pleasures, new friends, or a more playful, adventurous attitude in your relationships make this time period stimulating and delightful. You want a break from your usual routine, and because you are willing to experiment and to be spontaneous, you are likely to experience a refreshing change of pace. A new romance or a revitalization of a current one is very likely.

June 6, 2012 12 PM (June 5, 2012 to June 7, 2012)

Sun Trine Ura

You have a low tolerance for boredom and following rules today and you make some creative changes and discoveries, experiment with new possibilities, or invent a new way of doing things.

You don't want to follow anybody else's lead at this time, but fortunately you are able find ways to be yourself and even be a little "crazy" without offending or upsetting others. This is a dynamic and exciting period. Take advantage of any unusual offers or opportunities.

June 6, 2012 6 PM (June 6, 2012 to June 7, 2012)

Merc Oppos Jup

You are mentally restless and can not concentrate well on your immediate, familiar tasks. You are not inclined to discipline your mind or focus on practical matters, unless there is an element of gambling, play, or risk-taking involved. Reading something that is mind expanding, taking a trip, or planning a vacation is favored at this time.

June 7, 2012 11 PM (June 7, 2012 to June 8, 2012)

It is impossible for you to be content with superficial answers now, and you are impatient with people who avoid looking candidly and honestly at root causes and hidden reasons for any problem or situation. You tend to force your views on other people now. Also, you can become obsessed with an idea or problem until you have figured it out.

June 10, 2012 2 AM (June 9, 2012 to June 11, 2012)

Sun Conj Sat

You are serious and disinclined to frivolous or inconsequential activity. It's a time best spent working alone, structuring and organizing your life in some way, and focusing on whatever tasks (however distasteful or tedious) that you really need to do. You feel like withdrawing from people and find social situations unfulfilling or wasteful. Your vitality and your spirits are somewhat dampened.

June 10, 2012 11 AM (June 9, 2012 to June 11, 2012)

Sun Sxtil Merc

This is a time when you express yourself very clearly, and conversations, negotiations, and communications of all kinds are cordial and successful. Expect a rapid pace with numerous transactions, letters, phone calls, or errands requiring mental clarity.

June 11, 2012 4 AM (June 10, 2012 to June 12, 2012)

Merc Sxtil Sun

This is a busy time; communicating and getting in touch with others is very likely. Numerous phone calls, letters, meetings, errands, or discussions bring you into contact with others. This is a good time to brainstorm with others, share ideas, and come to a group consensus.

June 11, 2012 (June 10, 2012 to July 14, 2012)

Sun 12th H.

Retreating from the world for awhile and spending some quiet time alone to relax and rejuvenate appeals strongly to you now. You may feel at a low ebb, as if nothing is happening - or simply that you don't want to be "where the action is". Competitive ambitions and ego drives are on hold now.

June 12, 2012 9 AM (June 10, 2012 to June 14, 2012)

Mars Sqr Sat

This is likely to be a time of considerable frustration and discouragement for you. You are unusually sensitive to criticism of your efforts and to the limitations and restraints that your responsibilities entail. Fighting with authority figures or lashing out at others who restrict you in any way is a strong possibility. A sense of struggle or of being overwhelmed by obstacles and blockages is likely to characterize this period. Be patient and don't demand too much of yourself at this time. Work quietly and steadily and rely only on your own resources.

June 12, 2012 4 PM (June 12, 2012 to June 13, 2012)

Merc Sxtil Mars

June 14, 2012 10 PM(June 12, 2012 to June 17, 2012)

Ven Sxtil MC

Meeting people that can benefit your career, getting together with colleagues, or getting to know your superiors on a more personal, friendly basis is quite likely at this time. Take advantage of all opportunities to socialize with the people you have professional ties with for the outcome is likely to be quite positive.

June 15, 2012 (June 11, 2012 to June 20, 2012)

Jup Trine Plu

You feel confident, outgoing, optimistic, and enterprising. Expansion of business and professional pursuits is likely now. The business you are involved in is likely to attract new customers, develop new products, and receive increased recognition and influence at this time. You personally also receive these same benefits, and this is a time when you could receive a significant salary raise or a more lucrative and influential job. You are able to wield considerable influence and power at this time, and you may be called upon to assume a position of leadership and social importance. The only negative possibility is that your pursuits and advancement may be aimed strictly at personal gain and recognition, with little regard for its real value as a contribution to others.

June 16, 2012 3 AM(June 13, 2012 to June 18, 2012)

Mars Sxtil Ven

Friendships and love relationships are favored as you are openly affectionate, warm, and also quite responsive to loving gestures from others. An opportunity for a new romance or friendship is likely to surface now and work out quite nicely for you.

June 16, 2012 9 AM(June 15, 2012 to June 17, 2012)

Merc Sqr Ura

Flexibility, thinking on your feet, and the ability to accommodate the unexpected will be called for now. The pace is very quick. You will be pulled in many directions at once, and tend to scatter your forces, jumping from one thing to the next. Positively, you may come up with some fresh, original plan or insight that may seem crazy at first, but which is likely to be quite useful.

June 16, 2012 9 PM(June 14, 2012 to June 19, 2012)

Ven Sqr Mars

Tangles in romantic relationships are likely now. Your sexual drive is quite strong, and you may be more concerned with satisfying your own desires than in being sensitive to your partner. All interactions with people of the opposite sex are inclined to be tense right now.

June 18, 2012 2 AM(June 15, 2012 to June 20, 2012)

Mars Trine Moon

Your feelings run hot now, and you are more likely to act on instinct, emotion, and impulse rather than reason. Your responses to life are passionate, and also more natural, childlike, and direct. High-spirited physical play, lovemaking, or any activity that really involves you emotionally (such as a rock concert, a rousing football game, etc.) will be very gratifying to you now.

June 18, 2012 10 PM(June 16, 2012 to June 20, 2012)

Also your aesthetic sense is strong now; you may want to make changes in your environment to take it more harmonious and pleasurable for you.

June 20, 2012 8 AM(June 19, 2012 to June 21, 2012)

Merc Sxtil Moon

You feel inclined to speak to others about your innermost feelings, your past, and other personal subjects, which builds closeness and trust in your relationships, especially with women. You are also a sympathetic listener, drawing out others' feelings and personal experiences.

You may hear from someone from the past or reach out to someone you have a long history with or who was once very important in your life.

June 20, 2012 2 PM(June 19, 2012 to June 21, 2012)

Merc Conj Asc

Sales, teaching, public speaking, negotiating, or any endeavor that involves giving information to others is favored now. You are clear, articulate, and communicative at this time.

June 20, 2012 (June 19, 2012 to Aug 23, 2012)

Merc 1st H.

At this time you are likely to speak out and let your voice be heard on matters you have been considering or mulling over for some time. You are keen and alert, and you express yourself well. This is an excellent time to initiate discussions and communication, but you may be so intent on getting your message across that you don't really listen to what anyone else has to say.

June 21, 2012 11 PM (June 20, 2012 to June 23, 2012)

Sun Sqr Plu

Underlying or previously hidden aspects of a situation come to light now.

The misuse of personal power, dominating or manipulating others, and the subtle ways you try to control situations or other people are issues. The tyrant in you comes out, or you find yourself dealing with the more difficult, dark, tyrannical side in other people.

Also, this can be a time when you are forced to confront and deal with something which is no longer working - from old, outworn possessions to an unhealthy relationship or a deeply ingrained, self-defeating attitude.

June 23, 2012 (June 18, 2012 to June 27, 2012)

Jup Oppos Nep

Your imagination is very strong at this time, and you fantasize about a more perfect life. Perhaps more importantly, you believe that your fantasies can become reality, and you are inclined to gamble in an effort to easily achieve your dreams. You are also very gullible at this time, and there is a high probability that someone will try to take advantage of you at this time, and promise you a way to reach your ideals in a painless, easy way. Be wary of deception from others and your own tendency to become an easy victim of this deception.

You are very idealistic at this time, and you tend to project your ideals on others. If you find yourself thinking and talking about another person in terms that sound exaggerated and fantastic, then you are probably deceiving yourself. You should not restrain your imagination; let it soar. The only caveat is to keep from projecting your imagination on others.

Your religious and spiritual proclivities are awakened at this time, and you can experience profound inner, spiritual experiences now. Also, you may find that the opportunity to vacation or travel a great distance comes to you now, providing you the opportunity to gain a fresh, more inspired perspective on life.

June 26, 2012 (May 22, 2012 to July 28, 2012)

sat sqr asc

Frustrations and obstacles in your relationships with others arise at this time. You feel like others do not really understand you and do not cooperate with you, and that to do anything right, you have to do it yourself. Weak points in your relationships to others reveal themselves, and you find out that others often are not there to help you when you need them most. Those few people that you do feel in rapport with now become even more important to you, and become even closer friends.

You are likely to make an important change at this time. Many of your habits may no longer feel appropriate. You may change your manner of dress, hair style, or other aspect of your appearance. You want others to think of you differently, and these changes can be effective in helping you better express your current feelings and interests.

Your personality and attitude towards life undergoes some changes now. If you are experiencing a lot of frustration now, you may assume a negative posture towards life - pessimistic and less enthusiastic, and you may feel that bad luck has befallen you. If this happens, try to realize that the world is not against you, that you are the maker of your own destiny, and be strong enough to make positive changes in your attitudes.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates

given are accurate only if your birth time is very accurate.

Your mood and attitude is conciliatory, and your need for love and approval heightened. Social gatherings and personal relationships are favored.

June 30, 2012 5 PM(June 28, 2012 to July 2, 2012)

Mars Sqr Jup

You are highly ambitious, full of optimism and enthusiasm for new enterprises and plans. In fact, you may be foolishly overconfident and take on more challenges than you can really meet. You are inclined to take physical risks, gamble, speculate, and to act on faith and belief in yourself. This can, in fact, be a very productive time for you if you can keep your expectations within reasonable bounds. Beware of overexerting yourself.

Sun Sqr MC

You are at cross purposes with the people in your environment who are most able to benefit you. You tend to come on too strong, to be oblivious to others' needs and intentions, or to act inappropriately now. You feel an urgency to take positive steps to achieve your goals, but be certain that you are not overstepping yourself, as this can cause considerable enmity at this time.

July 23, 2012 (Mar 16, 2012 to Aug 31, 2012)

Nep Sqr Nep

Some change in attitude towards your ideals and spiritual values occurs now. This change is very inner and gradual, so it is not likely that you will have any great concern or difficulty about these changes. A new attitude toward the religious beliefs that you were taught as a child is very likely to develop now.
