## All about Your Birth Card

*Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.*

The Eight of Diamonds Person

The Sun Card

As the Sun Card, the Eight of Diamonds has the opportunity to rise to great heights in this life. Regardless of whether they make the move for great fame, they are always respected and looked up to in their work. They love to 'shine' and be noticed by others and have a great deal of leadership ability. These people are powerful and can be dominating if their power becomes an addiction. Much of their karma is worked out through power and control struggles with others. They dislike being controlled and try to maintain this same control in their relationships at the same time.

Their Eight power and position in the Crown Line gives them an independent and sometimes 'pushy' nature. In any case, they know what everything is worth and can drive a hard bargain. To many Eight of Diamonds, power means having and spending money. The female Eight of Diamonds are especially known to be able to spend huge sums of money quickly. These are the 'power shoppers' of the deck. The slogan, "When the going gets tough, the tough go shopping", was probably written by an Eight of Diamonds woman.

They can achieve anything through hard work and the application of their inherent intuition. When they learn to direct their power back towards themselves, to personal transformation, and stop trying to change the world, they can attain the lasting peace of inner power and self-mastery, the keywords of their Queen of Spades Karma Card.

They have good minds and a keen desire to learn new things. If they are willing to work for it, there is little they cannot achieve and few problems they cannot overcome. They have the power to conquer and rule and as long as it is not misused, it will bring them satisfaction. Some Eight of Diamonds are afraid or unwilling to take on the responsibility and thus forfeit much of their God-given talent and potential.

Some of the Eight of Diamonds Issues Concerning Relationships

In love they tend towards fickleness and indecision. The Eight of Diamonds independent, changeable nature may resist marriage, or, in other cases, they may continually attract others who cannot make the commitment. They must learn to give others freedom of expression without trying to change them. They also need to learn to accept themselves as they are and how to give themselves the love they seek from others.

## *All about Your Birth Card*

In most cases it is wiser for them to always place their careers in front of relationships. They usually lose some of their power when they try to make a relationship more important than their work. Both sexes fair better with those of the Clubs suit. Adopting a less attached view of love brings them many blessings.

## *All about Your Planetary Ruling Card*

*The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.*

### King of Spades as Your Planetary Ruler

This ruling card gives you a great deal of potential power, but along with that, a great deal of responsibility which few people choose to bear. You do have the ability to accomplish great feats in this lifetime, but you would have to abandon some of your creative and playful activities in order to attain this. You can be very bossy and stubborn, though you do have great wisdom to share with others. But will you follow your own wisdom? With this card you have absolutely no excuse for not having a very successful and satisfying life. But this again reflects how our choices in life are the true measure of who we are. Uncertainty and concerns around love, marriage and romance are also there to deal with, whenever you decide to address them.

## Auspicious Events Occuring This Year For You

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this year.

### The Grand Solar Spread

You can find your True Purpose this Year

There is at least one occurrence of a Six card in your reading in a prominent position (Long Range, Pluto, Result, Environment or Displacement). This gives you a special opportunity, but one that is only taken advantage of by those who are aware of it. Sixes give us an opportunity to discover what our true purpose is for our life. Most people search their entire life to discover what their life is about and whether or not they have some special purpose or goal that they are to achieve during their time here on the planet. Many never find this purpose at all. Because of the presence of a Six card in a powerful position this year, you will have a special opportunity to discover what your purpose is. Of course, this only applies to you if you have the desire to know. If you are not that interested in knowing more about your life's direction, this will probably manifest itself as a year of steady progress towards existing goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

Study any and all Sixes that you find in these prominent positions this year, along with other Sixes that appear in your Yearly Spreads. They will reveal much about the special destiny that is coming your way. Good luck on your path to inner discovery.

This is a Major Completion Year for You

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

Whatever the nature of the endings in your life this year, be glad that you have reached the point in your development that you are ready to move on to better things and relationships. We are often afraid to let go of things that have become

*Auspicious Events Occuring This Year For You* (continued...)

so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

If you have more than one occurrence of a Nine in these prominent positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

Study whatever Nines you may find in your Yearly Spreads carefully. Each one will reveal the specific areas that you may be encountering some important completions.

Some General Information About The One-Year Reading for your Birth Card

Our Birth Card is the most significant card of all the cards that represent us. It is the card that we identify the most with and the one in which we 'shine forth' with the greatest brilliance. We have other cards that are symbols of us as well. These include the Planetary Ruling Card, Personality Cards and Karma Cards to some extent. However, it is the Birth Card that is first and foremost in its importance and in its ability to describe our life in great detail.

Since this report may contain the Yearly Spreads for other cards that represent you, it is important to know the difference between them and their purposes in determining what they are trying to tell you.

On the following pages are all the cards for this year that fall in the Yearly Spread for your Birth Card. Cards in the Birth Card's Yearly Spread can pertain to most any area of your life, in contrast to the Personality Card spreads which usually only pertain to certain aspects of your life. As you read these influences keep in mind that these are the primary and most important.

## The Year-Long Cards Found In Your Birth Card Spread

Your Long Range Card

*Your Long Range Card is perhaps the most important card of the year. It defines something or someone that will be a major focus of your attention. It is neither positive or negative, just a place where a lot of your time, energy or attention will be spent throughout the year.*

Your Pluto Card

*Your Pluto Card is also a very important card in the Yearly Spread. It signifies something or someone that will cause a significant change in some part of your life. It may define an area where you experience a 'mini-death' in your life, a place where you release a negative pattern to make room for a more positive way of life.*

Your Result Card

*Your Result Card combines with the Pluto Card to help define your big change and challenge of the year. But in addition, the Result Card will be someone or something that you will end up with by your next birthday that is a blessing in your life. It is like the gift that you will receive for all the hard work you did this year to transform yourself.*

Your Environment Card

*Your Environment Card represents someone or something that will act in a beneficial manner for you throughout the year. It is an area where things will come easily to you, something or someone to be grateful for. It is always a good thing regardless of what card it is. You will collect good things from this card all year long.*

Your Displacement Card

*Your Displacement Card usually indicates an area where you will have to pay closer attention in order to have success for this year. It can be a person or thing that requires you to give them extra energy in order for that thing or person to be a benefit in your life. It can also signify 'special' occurrences that only come in certain years of life.*

### Some General Information About The Year-Long Influence Cards in your Birth Card's Spread

A yearly reading is comprised of many cards and it is important to get a sense of scope of influence for each one as you read about what they mean. Some influence the entire year while others influence primarily a 52-day period of time. The cards illustrated above are those that influence the entire year. Because of their greater scope and influence, they are always considered to be the most important cards of the yearly reading.

Each of these five cards has a specific function and purpose and will tell you some different and yet important things about the year this report is for. Take your time as you read their meanings as well as the text that describes their individual importance and functions.

## *Your Long Range Card This Year*

Your Long Range Card

### The Six of Diamonds as the Long Range Card

The Six of Diamonds is a very steady influence and when it shows up as the Long Range card this influence extends strongly for an entire year. This can be good if you are in good financial shape when the year begins because this card will tend to sustain whatever conditions were in effect when the year began, but it can be difficult if you enter the year lacking financially in some way. You could find yourself in a financial rut this year, struggling to get ahead and constantly beset with unpaid bills that sap your accounts.

This powerful 'karma card' insures that any imbalances in your financial picture will be evened out during this year. This may mean you pay off existing debts or you are repaid money you loaned earlier. It is wise to be totally responsible under this influence as dishonest dealings are likely to receive immediate payback. On the other hand, if you recognize the inherent potential in this powerful card, you could get well ahead by always doing more than you were paid for in all your business and financial dealings. This is surely going to bring you additional returns, especially under the karmic money card. As you sow, so shall you reap.

In any event, many of your experiences this year will prove to demonstrate the need for personal integrity and responsibility in all of your financial concerns.

In another vein, this card can mark a year in which you find a deeper purpose for your life and work. Any six in such a prominent position can signal a time when we discover something that we are fated to do. In this case, it would involve helping others to find a more meaningful set of values to base their life upon.

### Keywords:

A year of focus on financial responsibility, balancing of accounts and compromise for balance in financial affairs. I open myself up to discovering a special and higher purpose for my life's work.

## *Your Pluto Card This Year*

Your Pluto Card

### The Nine of Hearts as the Pluto Card

This year you will likely have one or more of your most important relationships coming to an end. The time has come to let go of these and move on and yet, it may not be easy to do. Either you are wanting it to end and that is a problem for you or you don't want it to end and it is ending anyway. Personal attachments may be surfacing that make these endings very difficult. These endings could manifest as a divorce, either personally or professionally, or as the actual leaving or death of someone close to you. Even the death of a pet would qualify as a Nine of Hearts experience, especially if you had close bonds with the pet.

If these endings leave you disappointed in any way, it is likely that you are emotionally attached someone. It is likely that you have an internal conflict about this. There are probably two parts inside yourself - one that wants an ending to one or more relationships, and one that doesn't. If you can tune in to yourself you may be able to resolve this inner conflict and reach a place of acceptance.

The universe is dictating that the endings must happen. If you change your perspective you may discover that these endings are really the best thing for all concerned, and that includes you. Your Result Card will further describe these endings or tell you who it is that you will be ending it with.

### Affirmation:

I am letting go of relationships that were once good for me, but now have outlived their purpose in my life. I set myself free to move on to better relationships.
