How to get the most from this Relationship Report

Welcome to your personal Love Cards report. The purpose of this report is to reveal as much information about you and your partner as possible, using an ancient and highly accurate system called The Book of Destiny. It is our hope that this report will enlighten you a little, and maybe even help you to make more powerful and happy choices in the areas of love and marriage. This report will explain many things about you, your partner, and how the two of you interact. However, in no way is this meant to tell you whether or not you will be successful as a couple. That success is always in your hands. No matter what connections you share, this relationship can be successful if both partners want it and are willing to commit to making it happen. However, you may discover herein just how easy or challenging that may be for the two of you.

Your Relationship Report consists of two separate parts. The first part is where you will find the description of each of your Birth Cards and Planetary Ruling Cards, if you have them. This section will reveal some of your personality traits, values, and other factors that make each of you who you are. You can get a basic feeling for each of you in this section and perhaps get a new perspective on who you are. This section may also reveal some of your relationship patterns - what sorts of people you are each attracted to, whether you are inclined to commitment or not, and other factors that may influence your love life.

Once you have learned something about each of you separately, you are ready to learn about how the two of you connect energetically. In the second part you will find out exactly what 'connections' you share with your partner that explain what each of you experiences when you are together. This is where you will find out what areas are easy or challenging for the two of you, what things you may like or dislike about your partner and why. Your connections explain how your relationship will be experienced by both of you. Some connections are good for sex, others for marriage, and others for working or business relationships.

This report was created with the intention of opening up doors of understanding and awareness. May your awareness grow and along with it, your understanding of your life and your happiness with it.

All about Goldie`s Birth Card

The Queen of Hearts Person

The Mother Card

As the 'double Neptune' card, the Queen of Hearts has its share of idealism. All of these people possess a certain charm and magnetism that attracts others. They are the 'mothers of love' and share this love with all they come in contact with. They either get married and devote themselves to family or get involved in some professional career. They have more than average ability to be a success in many professions and especially good luck in professions where men predominate.

These people are very sweet, attractive, sociable and loving. They can be very successful artists or performers and all have an appreciation for art and beauty. Many are aware of and make use of their abundance of psychic or musical ability. As long as their idealism is guided by truth, they can live the life of love and nurturing that is their birthright. This is the "Loving Mother" card. Their calling in life has to include sharing their love with others and the more, the better.

When operating on the lower levels, they can be overly self-indulgent, lazy, frivolous, and into the 'good life'. This is a card of enjoyment of the sensual pursuits and experiences. There are many co-dependents, escapists, and alcoholics among the Queen of Hearts as well. Once they set their sights in line with their high ideals and are ready to renounce laziness and complacency, there is no limit to how high they can climb in their work and career.

Some of the Queen of Hearts Issues Concerning Relationships

The people of this card are usually attracted to those of power and financial strength. These are the 'darlings' of the deck. A female Queen of Hearts represents "The woman that all men dream of". She is naturally blessed with all the feminine qualities that can make for a perfect wife or love partner. They are charming and devoted to their families and their ideals of love. There is a certain gaiety and innocence about them and one would hesitate to ever criticize them for anything. Still, their ideals may be too high and sometimes they will attract a partner that will bring them 'back to earth'. Hopefully, the fall will not be too high or too hard.

In some cases the Queen of Heart's charm turns to indecision and a certain disregard for the feelings of others. They can play the field with success or will sometimes attract a partner who is unfaithful or indecisive.

**All about Goldie`s Planetary Ruling Card**

Five of Clubs as Your Planetary Ruler

This ruling card reflects a very restless side to your personality. Because of it, you are fond of travel, changes of residence and meeting new people. This card also gives you more than average ability to sell or promote products and services. So, you would fit in the role of traveling salesperson quite readily, though this by no means is a sure indication of what you do for a living. The restlessness of this card extends to your romantic life as well. Whether you admit it or not, you probably have a problem with long-term commitments. This could be reflected as your choosing partners who cannot commit just as often as you not being willing to. You have a thirst for adventure that keeps you searching for what lies ahead, and perhaps often leaving the past behind.

The Six of Diamonds Person

The Card of Financial Responsibility

The number Six implies responsibility and karma. The suit of Diamonds relates to finances. Six of Diamonds people are keenly aware of financial debts and their repayment. This peculiar trait often manifests as a sort of paranoia about having outstanding debts. I have met Six of Diamonds that pay their phone and utility bills ahead of time, just to feel like they are not in debt. They always have an awareness of who they owe and who owes them on many levels.

Like all Sixes, they receive exactly what they give to others and during this lifetime there can be both huge financial losses and gains as their past-life accounts are settled. They seem to fall into two categories - those who go out of their way to repay their debts, and those who are irresponsible and need to learn to stand on their own two feet.

They may fall into slumps as a result of their inertia so they need to prod themselves into action every once and awhile. Once they get going, they can attain most anything they desire. There is protection in work and action and not in waiting for the lottery.

On a deeper level, the Six of Diamonds person may be here to help others come into a greater understanding of values. If they accept what they receive inwardly through their natural intuition, they will always be happy, regardless of the circumstances in their life. If they have discovered their special mission in life, they will not worry about how much money they have. These people make great teachers. They are givers and can be entrusted with great responsibility. What they have to give is a clear knowledge of higher values and the discrimination to make better personal choices. They are the keepers of the law.

Some of the Six of Diamonds Issues Concerning Relationships

Underneath the tough exterior of the Six of Diamonds lies a person who is having a difficult time meeting their needs for affection. There are often deep fears of abandonment that underlie much of what they do in their personal relationships. Until those fears are dealt with directly, they can have a hard time understanding the repeated failures that make up their love life.

They also have a highly mental approach to love that can lead them to think that they can set up their love life as one would a college curriculum. When their brilliant romantic schemes are being subtly driven by the previously mentioned fears, they backfire. They must learn to first give themselves the affection they
All about Kurt`s Birth Card

seek from others. Honesty about their own feelings and emotions can bring them the information they need to make better assessments of their relationship problems. They must also practice being honest to themselves and others and not fall into creatively talking themselves in and out of situations while avoiding their true feelings. The Six of Diamonds karmic pattern usually involves one major divorce or separation which transforms their life and teaches them about themselves.

All about Kurt`s Planetary Ruling Card

Queen of Diamonds as Your Planetary Ruler

This ruling card gives you a certain pride in yourself that encourages you to maintain a sense of dignity in your affairs. You like your money and will usually purchase only those things of high quality, and usually high cost, when they might be a reflection on who you are. You have a lot of natural business skills that could bring you success in most any business, but there could be some uncertainty about which direction to go from time to time because you also have a great deal of creative energy. In personal relationships you have chosen to maintain a certain amount of personal freedom and this could preclude long-term commitments. You are an outgoing person and enjoy social events.
All about the Love Connections you share

This report uses the most advanced techniques available to give some real insight into the inner workings of your relationship. Using the ancient system, now known as the Book of Destiny, it determines the energy 'connections' that reflect exactly how the two of you interact. These connections are essentially described as planetary energies, for example Mars or Venus. Some connections are harmonious, while others create certain kinds of friction or stress between you. All of the connections between you serve an important purpose and contribute to the experience that you share. Keep in mind that most connections have a higher expression and a lower one. The affirmations given for each connection indicate how to access the highest expression of each one.

The connections are listed in the order of their importance. The first connection is the most important and the second is the next important, etc. But even the last connection between you probably manifests itself in your experience together. Therefore, regard all of them as having some important information for you.

You may have only a few connections, two or three, or you may have as many as fourteen. Each couple has a unique number and kinds of connections - as unique as the love and feelings they share for each other.

Look to see if you have more than one kind of connection between you. For example, you may have a total of two or three Mars connections between you. When this is the case, you should study these connections carefully, realizing that this probably indicates some of the most important reasons that you are together and the issues that you most often face together.

Finally, there are no bad connections. If we are attracted to someone so much that we spend time with them, there are important reasons for this. The descriptions of the connections in this report can help you understand why you have made the choice to be together, which can in turn help each of you to understand your individual personalities and needs better. Of course, some connections indicate stress and challenge, but this is because we often use relationships as the vehicle through which we resolve our own inner conflicts. If the love is there, there are many good things for each of you to gain from being together.

The First Connection Between You

Kurt is the Uranus Card to Goldie
Location: Spiritual Spread

This is one of the past-life connections that tells us that Kurt and Goldie have already been together before. In fact, in that previous lifetime, they developed a true friendship and mutual respect for each other that has carried over into this lifetime. Now, they can enjoy those qualities and use that to build an even stronger relationship. However, both should know the implications of this connection, which tells us that it is not ideally suited for all couples. Kurt and Goldie have a great possibility here, but also possibly a great challenge. It all depends upon how well they are able to allow each other that personal freedom, especially when that freedom may scare them or leave them feeling uncertain. The Uranian relationship is certainly not for everyone. It is for those who want to experience the highest form of unconditional love in the context of an intimate relationship.

In particular, Goldie may be the one who is most affected by Kurt's behavior. At times he may seem to act in such an unexpected manner that Goldie is taken off balance by him. If she places big demands or expectations upon him, Kurt will seem to be even more uncontrollable and unpredictable, which may engender even more uncertainty for her. This is because Goldie is the one who is receiving the Uranian energies the most, unless other connections point out that Kurt is also receiving some. In any case, the call here is for Goldie to drop her expectations and learn to appreciate the time and things that she does share with Kurt, instead of focusing on the parts that she is not getting the way she wants. This can be an easy lesson or a hard one, it depends mostly on Goldie and her attitudes. We might say it is a matter of having both faith that Goldie will get her needs met and her having appreciation for all that she does have in the context of this relationship.

However, this connection tells us that Goldie has already learned these lessons in the prior lifetime. She probably will not have such a hard time of it. Most of the relationships with this connection are good friendships. Both partners usually have separate careers or lives, but allow each other the space to do as they please without placing big demands upon each other. They truly enjoy the time they spend together but do not require that this time be scheduled into their lives, as if there wasn't going to be enough of it. It would be well for both Kurt and Goldie to model themselves after these ideal characteristics, which is the Uranus connection in its highest expression.

The Uranus connection often provides a psychic link between partners. They just seem to know what each other is thinking or doing. Sometimes they
The First Connection Between You

Goldie and Kurt can transmit thoughts to each other. It is really a beautiful thing when a Uranus relationship is working well. Both partners are relaxed and unconcerned as to whether or not they will see each other again. They both feel the love they have for each other and that is enough. The time they do spend together is like the icing on the cake, and another chapter (and adventure) in the book of their friendship.

Affirmation for Kurt: I realize the powerful effect I have on Goldie. Though I will never allow her to control me or dictate my actions, I will express my love to her so that she knows that I really care.

Affirmation for Goldie: I allow Kurt to be completely free to be himself. In this way, I am creating the relationship of my dreams - one based upon true friendship and unconditional love.

The Second Connection Between You

Goldie is the Venus Card to Kurt
Location: Spiritual Spread

This is one of those 'love at first sight' connections that is responsible for many successful marriages and friendships. This connection tells us that Goldie and Kurt have shared some past lives together. In at least one of those lives, they were involved in a long-term relationship into which they each had to put a lot of effort in order to maintain harmony and compatibility. In that lifetime, they developed a deep love and respect for each other, as well as trust. Now, when they meet in this lifetime, they almost immediately sense this other soul with whom they have shared so much. They may or may not actually enter into a committed relationship during this lifetime, but what matters most is that a love exists between them that was already there, which will remain forever more.

If they do decide to get together again, they have what few other couples have and that is a great head start. Because they have already worked out the mutual trust, respect and admiration for each other, they can immediately advance to a very compatible and harmonious life together. They may or may not actually have much in common. In this lifetime, the personalities that they have may be much different than before. Other connections, especially among the Planetary Ruling Cards, will reveal how their personalities actually interact in this lifetime. There are cases where the personality differences are so great that it becomes impractical for them to be together as a couple. The love is

The Second Connection Between You

Goldie and Kurt are connected in a way that there is a strong love, but their personal directions may be much different in the current lifetime. In those cases, the love is recognized and acknowledged, but never completely consummated.

This connection makes believers of those who doubt that love is forever. The fact that Goldie and Kurt have found each other is a sign of good fortune for both. These kinds of relationships only happen to those who have some purity of heart and who are aware enough to recognize the value of it. So, we can say that Goldie and Kurt have reached some high degree of loving in order to have found each other again. It is a good sign and a blessing. Hopefully they will be able to take this foundation of mutual love, respect and admiration and go forth to create a beautiful future for themselves.

Affirmation for Goldie: It feels very right to be with Kurt, with whom I share some kind of deep and timeless love. I appreciate his presence in my life and feel blessed by it.

Affirmation for Kurt: I experience a love for Goldie that is hard to describe, and yet feels very familiar and right. I sense that we have been together before and look forward to more time together to share this unique love that we have for each other.

The Third Connection Between You

Goldie and Kurt are connected as Jupiter to each other

Location: Life Spread

This connection promises a lot of compatibility to Goldie and Kurt and presents some unique opportunities for them to take advantage of. It is considered to be one of the most beneficial influences that exists and is relatively rare, occurring in less than 1% of the population. If taken advantage of, this connection can bring some wonderful blessings of many kinds into their lives.

Jupiter is the planet of abundance, both material and spiritual. Since this connection between Goldie and Kurt is mutual, they exchange these blessings on a relatively equal basis. But a mutual connection is often like having three regular connections because it tends to augment itself as the energy is passed back and forth between the partners. For this reason, we can say that Goldie and Kurt are unusually blessed in this relationship and are likely to share many good things with each other.

Usually the partners with this connection share a similar philosophy...
The Third Connection Between You

about life. They may be involved in a specific religious or spiritual group, or just may have the same thoughts about life, justice, the world and other important matters. Having a similar philosophy lends itself to good feelings about being together. It is one of the foundations upon which many successful relationships are based. If Goldie and Kurt find this to be true, their relationship will tend to augment their beliefs and ideas and others will feel a certain amount of unity and power from them, because they both stand for the same things.

Another beneficial aspect of this connection is the financial one. This connection can be experienced as a feeling of unlimited prosperity. Together, Goldie and Kurt have the horn of plenty surrounding them and their activities. They tend to attract money and good things into their life and these are given and received graciously between them. For this reason, this connection is unusually good for both marriage and for business partners. Many financially successful couples have one or more Jupiter connections between them. But Goldie and Kurt have the equivalent of two or three in just this one, so they have much to be grateful for.

Many good things can come from this relationship if Goldie and Kurt end up staying together with the right attitude. That attitude is appreciation. All they need to do to amplify and multiply all the good effects of this connection is to periodically take stock of all the things they have to be grateful for and take time to express their appreciation of each other to each other on a regular basis. When they do this, the Jupiter energies become like a powerful generator of good things. It can really be magical just how quickly and frequently these good things happen.

Even if they do nothing, there will be good things shared in this relationship, regardless of other connections that exist. And for these things, there is much to be appreciated. If Goldie and Kurt want to see some magic, just become more conscious of the blessings and see what happens.

Affirmation for Goldie: I am enjoying the ways that Kurt and I give to each other. I experience a feeling of enhanced abundance and prosperity in this relationship that makes me thankful for having Kurt in my life. Our prosperity is growing every day.

Affirmation for Kurt: I enjoy giving and receiving with Goldie and feel that this relationship is an important blessing in my life. I sense that our wealth is growing each day and I am grateful for all of the wonderful things Goldie brings into my life.
The Fourth Connection Between You

Kurt gives to Goldie as her Karmic Cousin

Most cards in the deck have two other cards that are called Karma Cousins. In a Karma Cousin relationship, much like the Karma Card relationship, there is a definite flow of energy - one of them is giving something to the other throughout the duration of the relationship. However, unlike the Karma Card relationship, the Karma Cousin relationship doesn't have the intensity of the mirroring factor.

In this relationship the energy is flowing from Kurt to Goldie. This means that he will be giving something, perhaps many things, to Goldie over the duration of their relationship. This is a karmic connection, which implies that Kurt and Goldie have been together before and in that lifetime, left some unfinished business between them. This does not imply any negative sort of connection. On the contrary, Karma Cousin relationships often have a nice feeling to them of mutual sharing and support. However, there is a definite flow from Kurt to Goldie of some specific things.

One of those things might be acknowledgment. It is likely that Kurt needs to acknowledge Goldie in some way. This acknowledgment may actually provide a valuable key that will open doors for Kurt, even though they may not realize this at the outset. In giving to Goldie he may unlock his own mysteries. We might say that Kurt learns from Goldie, but that learning must be accepted by him if this relationship is to fulfill its purpose.

It is important to realize that in this relationship there is going to be an exchange of importance between Kurt and Goldie. If this exchange is hampered in any way, friction and conflict will be the result. Usually, if we see a couple with this connection who are in conflict, we know that one or both of them has done something to cause the flow to stop. However, once this has been recognized, they can rectify the situation fairly easily if they choose to. Kurt and Goldie should remember this, especially when times of conflict arise. They should also remember that giving and receiving are actually one and the same. Goldie has to be willing to receive just as much as Kurt has to be willing to give. If either partner gets blocked up for some reason, the energy of this connection will begin to tear it down. But many relationships go through tearing down phases which are followed by building up, so this is not something to be overly concerned about. Just being and staying together will remedy most situations that come up.

So we see that this relationship probably has an important purpose, and the more that Kurt and Goldie are together, the greater the chances of this purpose being fulfilled. Other connections between them will help define the
The Fourth Connection Between You

Goldie and Kurt

overall nature of their being together and could even lend insight into what will be exchanged. What this Karma Cousin connection tells us is that this relationship has the potential to be very important for both of them.

Affirmation for Kurt: I appreciate my relationship with Goldie and am glad to be able to contribute to her life. I allow myself to express my generosity in its fullest with no expectation that Goldie must act in any particular way as payment for my giving. In this way, I respond to the natural forces that flow between us.

Affirmation for Goldie: I am grateful for the presence of Kurt in my life. I accept all the good things that he brings into my life and respond with appreciation and gratitude. I allow our exchange to occur by being completely open to receiving whatever he has to offer.

The Fifth Connection Between You

Goldie and Kurt are Mars to each other
Location: Life Spread

This connection is probably one of, if not the most, energetic connection that any couple can have. Mars produces energy, passion and irritation. It stirs up a lot of energy that must be harnessed and put to use, or it will tend to be destructive and conflictive. In this relationship Goldie and Kurt both inspire Mars energy in each other. This serves to double and even triple the Mars energy between them. Therefore, these two will be having to deal with both the positive and negative effects of this Mars connection for the duration of their relationship. With conscious awareness of what is going on, they can harness this powerful connection to accomplish many things and develop an active and enjoyable life together.

Mars connections can be very good for sex, and for working together. Mars is a passionate planet, and inspires us to do things passionately. Sexually, this aspect produces a lot of pure physical attraction, and it is usually mutually experienced by both partners. Also, this connection is one of the very best for couples who work together. Sex and working together are both ways in which this powerful Martian energy can be expressed in positive ways. Many successful working couples have at least one Mars connection between them. In the case of Goldie and Kurt, it is like having two or three connections in just this one. Other positive expressions of Mars energy include hiking, jogging, biking or walking together. Dancing, working out and any other form of shared
physical exertion are highly recommended. Otherwise, the negative expressions of Mars energy will predominate. These include fighting, blame, hostility, all forms of abuse, and lots of arguments. Just think of Mars as a magic genie who will grant all of your wishes with one condition - you must keep her busy. If you don't give her something to do, then she will come after you and try to kill you.

Goldie and Kurt will have to take great care in this relationship not to allow the negative aspects of Mars to captivate all their attention. This much Mars energy can easily have them getting angry with each other on a frequent basis. Couples who have Mars connections are often drawn together because they have habitual patterns of blame and anger with which they approach their closest relationships. Mars connections give them the opportunity to work on these patterns, which can be holding them back in many areas of their life. There are definitely things about Goldie and Kurt that can irritate each other, because on some level each of them reminds the other of some of the things that she or he doesn't like about themselves. Each of us has some things that we don't like about ourselves, things that we get mad at ourselves for. When we meet someone who is our Mars Card, they will remind us of those things. Initially, we may get mad at them and think that they are the problem. Closer analysis reveals that it is only that they are reminding us of these inner conflicts that we haven't resolved. So, in essence, a Mars relationship acts as a catalyst to help us learn to love ourselves. But sometimes it takes years before we begin to realize that the problem is within us, and not in our partner. Getting beyond the stage of blame to the stage of self-reflection is an important step that anyone with anger issues must make. Because of this strong Mars connection, there is a good chance that both Goldie and Kurt have some anger issues to work on.

Keeping all of this in mind, Goldie and Kurt can use this powerful Martian force to accomplish many good things. If they are both career-minded, this energy can inspire them into productivity and accomplishment. Even if they do not share career ambitions, this energy can help them get more physically active and healthy. There are many wonderful uses for this Martian force and Goldie and Kurt can have a lot of fun discovering them.

Affirmation for Goldie: I am aware of how much I stimulate Kurt and understand his feelings because I can see how Kurt stimulates me as well. I take full responsibility for my own anger, seeing that it resides within me first. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.
Affirmation for Kurt: I accept Goldie as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to her. This relationship represents a wonderful opportunity for me to release my anger and transform it into positive, creative energy that can benefit my life in many ways.

Kurt is the Cosmic Lesson Card to Goldie
Location: Spiritual Spread

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

From a past life of being together, Kurt has returned to Goldie in order to play an important role in her life. This role will help her find herself and her life's work if she is looking for these answers. This represents a karmic debt that Kurt must repay in order to fulfill his own aspirations. Somehow, Kurt will be able to help Goldie realize her highest potential. At the least, Kurt's presence in her life will act as a sign to point her in the right direction, a direction where Goldie may fulfill her obligation to the world and make a valuable contribution through her efforts.

On a personal level, this connection has little, if any, influence. It may not affect the feelings they have for each other unless the subject of Goldie's most important issues revolve around her purpose and career. In that case, Kurt may find himself reminding her of how she can improve herself, or of what things she can do to get more success in the areas to which she is striving. If this happens, Goldie may react with gratitude or with resistance, and this could play an impact on just how they get along with each other. The more important these issues are for Goldie, the more this connection will affect the relationship. But, in most cases, the reminder is more of a subtle nature, and doesn't manifest in any sort of personal confrontation between the partners.

To the degree that Goldie is aware of her own personal need to play some important role in her life, she will find Kurt to be a helpful influence in this regard. He may even be doing the kind of work that she is wanting to do, or is destined to do. They may be able to share this work. In other cases, Goldie may not be career-minded at all and Kurt merely serves to remind her of characteristics that will help her fulfill whatever roles she is playing in her life more effectively. There is definitely an implied student/teacher relationship here, though it is not necessary for either Kurt or Goldie to be aware of it. However, Kurt's presence is a lesson to Goldie on some level and the more she is aware of this, and then acts upon what she is receiving from him, the sooner

Goldie will elevate herself in respect to whatever roles she is playing in her life.

Affirmation for Kurt: My awareness of how I am a reminder to Goldie of how she can make a valuable contribution in this world reminds me that I am an important influence in her life. I wish only the best for her and hope that my influence is a positive one in her life.

Affirmation for Goldie: I am grateful for the presence of Kurt in my life. He reminds me of what I can do and become in a way that inspires me to my highest potential.

The Seventh Connection Between You

Kurt is the Neptune Card to Goldie
Location: Life Spread

Each of us has a card or two in our Life Spread that represents a person who, on some level, fulfills our innermost dreams and fantasies. We each have a desire for love that transcends time and space, a love that is eternal and completely unlimited in its expression. Whether or not this kind of love is actually possible in this world we live is debatable. But one thing is for certain, we all yearn for it at a deep, soul level and sense that it is a real possibility for our lives. When we meet someone who is our Neptune Card, we are able to experience some of what this may be like, because in some ways they touch upon these parts of us and awaken these kinds of feelings within us. This is the case here where Kurt is Goldie's Neptune Card. Kurt stimulates these Neptune energies in Goldie and makes her feel things that she may have never felt with anyone else before now.

Neptune relationships often have very romantic and unusual beginnings. There is often a sense of fate surrounding the situations in which the couple first get together. Coincidences abound during their first encounters and they often seem to have been magically drawn together by forces beyond their control. Sometimes they sense this past-life sort of feeling about each other. Neptune is responsible for some of the most romantic of involvements, those which people write books, songs and movies about. We find very high idealism in this connection, especially coming from Goldie, who is on the receiving end of the Neptune influence of Kurt. As a matter of fact, Neptune relationships are known for the fact that the romance remains for the life of the relationship. The fantasy of love and fulfillment never dies.
Truthfully though, in this relationship we will probably find that most, if not all of these wonderful feelings are being experienced by Goldie alone. That is of course, unless Goldie is also Kurt's Neptune Card in another connection between them. But one of the characteristics of these Neptune relationships is that they are usually one-sided.

Though Kurt may be the person of Goldie's dreams, the opposite is probably not true. In fact, because so much of the Neptunian energy has been stimulated in Goldie, she may not be able to see Kurt as he really is at all. When under the influence of Neptune's spell, we project many of our expectations, unfulfilled needs and fantasies onto our partner. So much so that we can ignore the person they really are in the process.

This gives Kurt a certain power over Goldie but could also make him feel lonely at times. If he wanted to, he could deceive Goldie easily because in many ways, she is already deceiving herself. Some Neptune relationships are based upon this deception and the person giving the Neptune energy, Kurt in this case, can use this deception to get what he wants from his partner. But Kurt may tire of this relationship at times because on some level we all want to be loved for who we are. If Goldie is projecting her fantasies onto him, he may feel like the real person he is is not being recognized. Communication can help this situation if this is the case.

In Neptune relationships there is usually a strong psychic link between the partners. They often know each other's thoughts and can even second-guess each other's needs and desires. It can be a dream come true, as long as the projected fantasies or deceptions are not the main thrust of their being together.

Affirmation for Kurt: I realize the unusual power I hold over Goldie and consciously direct our activities together in positive directions.
